

Full Member of Neoenergia's Financial Committee

He is also an Alternate Board Member of Iberdrola Energía Internacional, S.A.U and Corporate Development Officer at Iberdrola, S.A. and also serves as Officer at Avangrid Renewables, Llc. and Iberdrola Energía Sostenible España, S.L.U.

Personal profile and educational background

David is married and is a Business Administrator graduated at ICADE, and holds an MBA from IESE (Universidad de Navarra).

He is fluent in Spanish.

Experience in energy sector and education/training mentioned above

Before taking up this position at Iberdrola, David worked as the CFO of Siemens Gamesa Renewable Energy (SGRE) since December 1, 2018 and is a Board Member since the incorporation of SGRE, having obtained investment grade (BBB) by the main rating agencies and the refinancing of the entire debt, always under sustainability criteria (ESG). He was also a Board Member at Windar, Adwen (former JV focused on Offshore between Gamesa and Areva) and Gamesa's regional boards in India, Mexico and Brazil.

Prior to his appointment as CFO, he served as Chief Development and Corporate Strategy Officer, leading the merger process between Gamesa and Siemens Wind Power. As a result, he was appointed Integration Officer and a member of the L3AD 2020 Program Managing Committee.

Other information

In addition, he was named one of the 40 most influential leaders under 40 years old in the energy industry (Recharge4040 award). Wind Power Monthly magazine also appointed him as one of the 15 most influential people in the wind power industry.

He is experienced in strategic consultancy and investment banking, specialized in capital markets, mergers and acquisitions and design of different financing structures.
