

PROFESSIONAL AND BIOGRAPHIC PROFILE

Position: Full Member of Neoenergia's Financial Committee

Date of last election: February 15, 2023

Positions and professional activities currently performed

He is a Member of the Audit and Compliance Committee of Iberdrola Energía Internacional, S.A.U.

He is also Corporate Development Officer at Iberdrola, S.A., and serves as Officer at Iberdrola México, S.A. de C. V. and Avangrid, Inc.

Personal profile and educational background

David is married, and he holds a degree in Business Administration and Management from ICADE and an MBA from IESE (University of Navarra).

Experience in other sectors

He was Chief Financial Officer ("CFO") of Grupo Prisa. Prior to assuming this position, he was deputy officer of the Corporate Development Division of Iberdrola, S.A. Likewise, David has been CFO of Siemens Gamesa Renewable Energy, S.A.U. - "SGRE" - since December 1, 2018 and a member of its Management Committee since the incorporation of SGRE, having obtained company's investment grade (BBB) by the main rating agencies and the refinancing of the entire debt, always under sustainability criteria (ESG).

He was also a member of the Board of Directors of Iberdrola Renovables Energía, S.A.U, Iberdrola Renovables Internacional, S.A.U., Iberdrola Energía Sostenible España, S.L.U., ScottishPower Renewable Energy Limited, Neoenergia Renovables, S.A, Iberdrola Australia Limited, Windar, Adwen (former JV focused on Offshore between Gamesa and Areva), Avangrid Renewables, LLC and Gamesa's regional boards in India, Mexico and Brazil. Prior to his appointment as CFO, he served as Chief Development and Corporate Strategy Officer, leading the merger process between Gamesa and Siemens Wind Power. As a result, he was appointed Integration Officer, doubling the synergy objectives, and a member of the L3AD 2020 Program Managing Committee.

Other information

David Mesonero has extensive experience in financial and strategic management of companies in the energy sector. Based on his expertise in capital markets, mergers and acquisitions (M&A) and the design of different financing structures, he has been recognized as one of the 40 most influential leaders under 40 years old in the energy industry (Recharge4040 award).

Wind Power Monthly magazine also appointed him as one of the 15 most influential people in the wind power industry.

He was also a Board Member of El País, Diario AS and Santillana.
