Personal profile and educational background

Single and father of one daughter, Denísio Liberato is an Economist graduated from the Universidade Federal de Viçosa (UFV - MG), in Brazil. He is also a Master and a Ph.D. in Economics from Fundação Getúlio Vargas (FGV), in Brazil.

He is fluent in Portuguese and English.

Experience in energy sector

He worked as an advisor to a multidisciplinary technical group on a project aimed at the development of an investment appraisal platform in R&D in the electric energy sector, considering the financial and strategic aspects of each project to the company's growth agenda, under the management and control of ANEEL. He also took part in projects to estimate the regulatory WACC of the electric energy industry companies.

Experience in other sectors

He is a professor of Finance in the executive courses at IDP in Brasília and FGV in São Paulo, Brazil.

Denísio has held the position of Executive Manager in the Capital Markets and Infrastructure Department of Banco do Brasil, in Brazil. He also worked as the Executive Manager of the Corporate Governance Board at Banco do Brasil, in Brazil, and an economist and strategist at the Private Bank of Banco do Brasil, in Brazil. Denísio was also part of the Banco do Brasil International Board of Directors in São Paulo and the Financial Board in Brasília, in Brazil.

Denísio also held the positions of Assistant Secretary for Macroeconomic Policy and General Coordinator of Macroeconomic Analysis at the Secretary of Economic Policy of the Ministry of Finance, in Brazil.

Other information

Winner of the 7th Rising Star in Finance Award 2010 – IBEF(SP) / KPMG

He is a mentor in the Career Acceleration Program at ANFEA-USP (Black Association at the School of Economics, Administration, Accounting and Actuarial Sciences of the University of São Paulo).

He is an associate editor of Journal of Racial and Ethnic Social Equality (JRESE).

He holds an Investment Certification from ICSS.

He is a frequent member of *strictu sensu* postgraduate examining boards on ESG-related topics in top-tier academic institutions.
